daviess@uw.edu

Department of Mathematics
University of Washington

EDUCATION

University of Washington

2016 - present

M.S. in Mathematics, 2019

Ph.D. in Mathematics

University of Illinois at Chicago

2015-2016

M.S. in Mathematics

Carnegie Mellon University

2011-2015

B.S. in Mathematical Sciences, Minor in Economics

RESEARCH INTERESTS

I design algorithms for a wide range of problems, including combinatorial optimization questions in scheduling and allocation, as well as statistical reconstruction problems.

PUBLICATIONS

1. Sami Davies, Miklós Z. Rácz, Benjamin Schiffer, Cyrus Rashtchian. “Approximate Trace Reconstruction,” in submission.

INVITED PARTICIPATION AND INTERNSHIPS

Microsoft Research Intern

Summer 2020

Redmond, WA (held virtually)

Hosted by Janardhan Kulkarni in the Algorithms group.

Dagstuhl Seminar in Scheduling

February 2020

Shloss Dagstuhl

Nebraska Conference for Women in Mathematics

February 2019

University of Nebraska Lincoln

Women in Theory

June 2018

Harvard University

Leadership Alliance Summer Research Program Brown University <i>Examining Euler Equations.</i> Joint work with Johnny Guzman, Gopal Yalla	Summer 2014
Summer Undergraduate Applied Mathematics Institute CMU <i>Patterns of the Bhargava Defined Factorial.</i> Joint work with Joe Gault and Gregory Johnson.	Summer 2013

AWARDS AND FELLOWSHIPS

Tanzi-Egerton Fellow University of Washington Awarded to an outstanding female, senior graduate student in mathematics	2020
Microsoft Research Dissertation Grant Microsoft Research Awarded to 10 graduate students in computer science across the US to support them in finishing their Ph.D. work	2020
McKibben and Merner Endowed Fellowship in Mathematics University of Washington Awarded to two students who were exceptional in their preliminary exams and first year courses	2017-2019
Department of Mathematics, Statistics, and Computer Science Fellowship University of Illinois at Chicago Awarded to outstanding incoming first year students in the department of MSCS at UIC	2015
Senior Leadership Recognition Award Carnegie Mellon University One of 40 students honored for making significant contributions to CMU's community	2015
College and University Honors Carnegie Mellon University	2015
Leadership Alliance Scholar	2014

TEACHING

I taught the following courses:

Math 107	Math in Society	FEPPS Summer 2018
CSE 311	Foundations of Computing I	UW Spring 2020

I served as a teaching assistant for the following courses:

Math 111	Algebra with Applications	UW Fall 2017
Math 124	Calculus I	UW Winter & Spring 2017
Math 126	Multivariable Calculus	UW Fall 2016
Math 121	Pre-Calculus	UIC Fall 2015 & Spring 2016
21-241	Matrices and Linear Transformations	CMU Spring 2015

External Reviewer

SODA 2020, ICALP 2020, *IEEE Transactions on Information Theory*, MFCS 2020, ISAAC 2020, *Operations Research*

Washington Directed Reading Program

2018-present

Mentor for the WDRP, which pairs undergraduate students with mathematics graduate student mentors for quarter-long independent reading project, in the spring of 2019 and the fall of 2020. Helped conceive and write grants for the WDRP in the summer of 2018.

Freedom Education Project Puget Sound (FEPPS)

2017-2019

Tutor during fall and winter of 2017. Course instructor during the summer of 2018 at the Washington Corrections Center for Women.

Math Circle

2018

Instructor spring of 2018.

Association for Women in Math

2016-present

Member since 2016. Secretary of the UW student chapter 2018-2019 academic year.
